

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership cap is a crucial element of our democratic media, and it should not be weakened.

Dear Mr. Powell,

You are making a serious mistake if you allow the regulations of the Cable Ownership Cap to be rolled back. Prices will rise, diversity in programming will fall, and our country will move towards a one-company media medium. Please do not allow this to happen.
